

Your Information

For the purposes of data protection laws, Stevenage District Scout Council is the data controller for the processing of CCTV recordings and registered with the Information Commissioner's Office

All CCTV recordings are processed in accordance with provisions of data protection laws and other relevant legislation. The use of CCTV monitoring is for the purposes of security and crime prevention, public safety and detection.

Information captured by CCTV will usually be images of individuals, location information or information relating to property such as buildings and vehicle details.

Sharing your information

We will only disclose CCTV recordings or images to third parties such as the Police to comply with a legal obligation, or where legally permitted, such as for crime prevention and detection.

We only process CCTV images and recordings within the UK.

All CCTV recordings are retained for a period of up to 60 days and automatically deleted thereafter.

Your Rights

You have a right to request for copies of CCTV images or recordings we hold that feature images of you or information relating to you.

You have the right to object to use of CCTV in your area, and request for information to be deleted, subject to certain restrictions that may prevent us from doing so.

To raise a concern, request a copy of CCTV images or recordings or for any other enquiries email enquiries@stevenagescouting.org.uk

Making a complaint

We will always try to resolve queries and respond appropriately to all requests regarding our use of CCTV. If you are not satisfied with how we handle your request, please let us know to allow us to investigate.

If you are still not satisfied with the outcome of our investigation, you can complain to the Information Commissioner's Office at <https://ico.org.uk> or write to:
