Colonel Woods Programme

This year Colonel Woods is being run as a fun Patrol Camp (no competition). The emphasis is on having fun, picking up new skills and practicing camping and back-woods style cooking. Leaders will be camping and providing as much guidance and encouragement as needed to help Patrols gain camping and cooking skills.

Each Patrol will need to plan a balanced menu within the guidelines below. Unless otherwise stated, Patrols will need to bring the ingredients for the meals and have suitable food storage while at camp. As well as a cool box (ideally 2, one for raw meat and one for dairy etc.), suitable 'animal proof' dry storage will be required (wooden box with catch or similar).

Colonel Woods Menu Criteria

Friday supper:	Supper supplied and cooked by District. Sausage in a roll and a hot drink.
